

MATERIAL SAFETY DATA SHEET

(Effective 1 January 2006)

I – Product Name

Product Name: “LMP” – Liquid Membrane Polymer
Chemical Family: Compound Sealer; Water Reducible; Acrylo-Siloxane Modified Emulsion; Admixture for Bonding Asphalt

II – Physical Data

| | | | |
|--------------------------|----------------|-----------------------------|-----------------------|
| Boiling Point: | 212° F | Freeze Point: | 32° F |
| Specific Gravity: | 1.09 | Vapour Density: | Not Applicable |
| Vapour Pressure: | Not Applicable | Solubility In Water: | 80% |
| Appearance: | Brown / Cream | Odor: | Amine |
| Percent Volatile: | Not Applicable | Evaporation Rate: | H ₂ O =1 1 |
| Flash Point: | None | | |

III – Hazardous Ingredients

None Applicable: This product is classified as non-hazardous. All ingredients herein are proprietary as spelled out in C.F.R. Rules for such products.

IV – Exposure Guidelines

Permissible Exposure Limits: Not Applicable

V – Fire and Explosion Hazards

Fire and Explosion Hazards: None
Special Fire Fighting Procedures: Not Applicable
Unusual Fire and Explosion Hazards: Not Applicable

VI – Health Hazard Data

Threshold Limit Value: 1,000 ppm
Effects Of Overexposure: May Cause Nose and Throat Irritation.
Emergency and First Aid Procedures: Eye and Skin Contact – Flush With Cold Water for Fifteen (15) Minutes.
Internal: Do Not Induce Vomiting; Call a Physician.

VII – Reactivity Data

Stability: Product is Stable.
Conditions To Avoid: Do Not Mix With Strong Acids.
Incompatibility: Materials to Avoid – Strong Acids
Hazardous Decomposition Products: Not Applicable
Hazardous Polymerization: Will Not Occur

VIII – Spill or Leak Procedure

Steps to be taken if material is released or spilled: Mop up excess material and dispose of in incinerator. Rinse area with water.

Waste Disposal Method: Remove contaminated cloths or towels for disposal to burn center.

IX – Special Protection Information

Respiratory Protection: Use OSHA-approved respirator for solvents when using this material in a closed, non-ventilated area.
Ventilation: Fresh air displacement type mechanical fan exhaust system.
Protective Gloves: Wear protective neoprene gloves when using this product.
Eye Protection: Wear protective plastic goggles when using this product.
Other Protective Equipment: None Applicable

X – Special Precautions

Labelling Requirements under U.N. Designation for Overseas

Shipments and National Requirements: Compound Sealer / Non-Hazardous Material

U.N. Number: Not Applicable

Packaging Group Number: Not Applicable

Hazard Class: Not Applicable

Hazardous Label Requirement: Not Applicable

D.O.T. Guide Number Emergency

Response: Not Applicable

Keep This Product Out Of The Reach Of Children.

Do Not Take Internally. May Be Harmful If Taken Internally.

Use With Adequate Ventilation. For Industrial Use Only. Store in a Cool Dry Place.
